## COMMISSION RECEIVES EXCELLENCE IN DISABILITIES ACCESSIBILITY AWARD

The Industrial Commission of Arizona is pleased to announce that it has been selected by the State Bar of Arizona as a recipient of this year's Hon. John R. Sticht Excellence in Disabilities Accessibility Award ("Award"). This Award is presented to a private or public legal employer in recognition of their efforts to improve access to Arizona's judicial system concerning persons with disabilities in the legal profession. The State Bar's Standing Committee on Persons With Disabilities in the Legal Profession selected the Commission in recognition for providing courtrooms and facilities accessible to administrative law judges, employees, and public citizens with disabilities, as well as contributing to the community through its determinations about issues involving disability.

The Commission extends its appreciation to the State Bar and the Committee for acknowledging its efforts in this area and for selecting the Commission to receive this award.
