

OSHA Requests Information

Feedback Requested

Phoenix, AZ, 05/20/19 -

Dear Stakeholder,

The Federal Occupational Safety and Health Administration (OSHA) has issued a Request for Information (RFI) regarding a possible update to the Control of Hazardous Energy (Lockout/Tagout [LOTO]) standard. OSHA is interested in comments on the use of control circuit-type devices to isolate energy as well as the evolving technology for robotics. Comments and materials may be submitted electronically at regulations.gov, the Federal e-Rulemaking Portal, by facsimile or mail, and must be submitted by August 18, 2019.

For more information, see the [OSHA press release](#) and the public inspection version of the [Federal Register notice](#).
