Discussion and/or Action of Arizona Division of Occupational Safety and Health Discrimination Complaint.

16-2865-12 - Walikainen vs. West Abrazo Hospital

Mr. Atencio explained that a findings letter was sent to Mr. Walikainen on March 17, 2017. Mr. Atencio summarized Mr. Walikainen’s request for reconsideration citing new evidence including a decision by Department of Economic Security Administrative Law Judge Rosen on a
DES appeal case for unemployment benefits and that West Abrazo Hospital used a subjective attendance policy. Mr. Atencio noted the statute for DES does not apply to the Retaliation Statute under A.R.S. § 23-425. Mr. Atencio noted that it was not within OSHA's safety and health and that ADOSH does not find anything that shows that safety and health have been compromised. Mr. Atencio and Ms. Rassi noted the several attempts to reach the complainant to get more information.

Mr. Atencio summarized the investigation report regarding handling of safety concerns and employment records. Ms. Rassi added that Mr. Walikainen did not follow company directives.

Mr. Atencio recommended that based on the ADOSH ROI that ADOSH's original decision to dismiss the case on the merits be upheld.

Chairman Schultz noted that the only issues to consider are the issues on the appeal. The issues relative to the board were heard and there was ample documentation of the employer's work to resolve those issues, as well as all of the information about the attendance and the process. All that is needed to address is whether or not there is sufficient, new and additional evidence presented to cause a reconsideration of the original decision. He noted that the report does an appropriate job at addressing each one of the new issues and reinforces the original decision.

Commissioner LeMarr concurred and could not find anything that would sustain a reopening of this process.

Commissioner LeMarr moved to deny the request for appeal of ADOSH case 16-2865-12. Commissioner Krenzel seconded the motion. Chairman Schultz, Commissioner LeMarr and Commissioner Krenzel voted in favor of the motion. The motion passed.
