RE: 2021/2022 Proposed Fee Schedule Changes

Dear Mr. Carpenter:

Please consider this our letter to express ASIA's concern regarding the proposed language in Section B(13). Specifically, we do not agree air ambulance or the Arizona Air Ambulance Service Rate Schedule should be included since air ambulance companies are federally regulated.

ASIA values the Commission's commitment to reducing costs in the workers' compensation system and we look forward to continued discussions regarding our concerns.

Sincerely,

*Susan Strickler*
