Subject: Arizona pharmacy fees  
To: <[mro@azica.gov](mailto:mro@azica.gov)>

I am writing to oppose the change in Arizona's pharmacy fees especially for those involving workers compensation. I have been with my current pharmacy, IWP for more than 10 years and have built a trust, and respect for the professionalism in business, and service.

Please say NO for any changes regarding pharmacy fees in Arizona.

Sincerely: Mark Hostetler
