**REPEAT SERIOUS** – Citation 1 - Item 1 – 4950 W. Chandler Blvd., Chandler, AZ 85226: Four employees engaged in moving and storing rolls of roof underlayment from the north side of the roof to the south side of the roof were not protected from falling approximately 22 feet to the ground below by the use of conventional fall protection or the combination of other fall protection systems required by the standard. (29 CFR 1926.501(b)(10)).

America Roofing LLC was previously cited for a violation of this occupational safety and health standard 1926.501(b)(10), which was contained in ADOSH inspection number 1102438, citation number 1, item number 1 and was affirmed as a final order on January 26, 2017, with respect to a workplace located at 18413 W. Roma Ave, Goodyear, AZ 85395.

- Div. Proposal - $4,000.00
- Formula Amt. - $4,000.00
- TOTAL PENALTY - $4,000.00
- TOTAL FORMULA AMT. - $4,000.00

Mr. Warren noted that the Commission had previously remanded this file to ADOSH for further review. He summarized the citation and proposed penalty and addressed questions the Commissioners had previously raised concerning employer knowledge.

Mr. Downen discussed the inspection and explained how he identified Mr. Lechuga’s role with America Roofing. Mr. Warren discussed the types of roles that can impute knowledge to an employer. He reviewed Mr. Lechuga’s interview transcript, concluding that Mr. Lechuga’s answers established employer knowledge.

Commissioner LeMarr and Chairman Schultz discussed an OSHA letter of interpretation concerning vendors that deliver roofing materials.

Commissioner Orchard, Mr. Warren, and Mr. Downen discussed the number or photographs taken during the inspection, including a photograph depicting an employee wearing fall protection equipment.
Commissioner Orchard and Mr. Warren discussed the distinction between “not using any form of fall protection” and “insufficient fall protection.” Commissioner Orchard asked Mr. Warren to look into whether it was necessary to use the former terminology in cases where an employer has provided fall protection equipment.

Commissioner LeMarr, Mr. Warren, and Mr. Downen discussed Bill Cooper’s involvement in the opening conference, his absence during Mr. Lechuga’s interview, and whether Mr. Downen had asked Mr. Cooper who was in charge at the worksite.

Mr. Keller discussed ADOSH matters involving America Roofing since 2012 and the detrimental impact of having pending investigations listed on OSHA’s website. He discussed the questioning of Mr. Lechuga, noting his belief that the questioning was contrary to what members of the Chairman’s Roofing Alliance had been told. He indicated that, to the extent Mr. Lechuga is a member of management, he had a right to have a company representative present during the interview. He also noted that Mr. Lechuga had not received a copy of the interview transcript. He stated that Mr. Lechuga disagreed that he was a supervisor of America Roofing and stated his disagreement with ADOSH’s interpretation of the OSHA letter of interpretation concerning vendors that deliver roofing materials. He discussed the spirit of the OSHA letter of interpretation, arguing that it is applicable to the circumstances of the inspection.

Commissioner LeMarr and Mr. Byrne discussed the concept of “self-performing” vendor tasks. Commissioner LeMarr noted that the inspection photographs depicted three employees without tool belts carrying roofing material.

Mr. Warren discussed the OSHA letter of interpretation, the OIS system and file opening process, the interview process and the Chairman’s Roofing Alliance; and the interview transcript.

Chairman Schultz, Mr. Downen, and Mr. Byrne discussed the photographs; which employees were tied off; and the number of employees on the roof.

Commissioner Orchard moved to go into Executive Session and Commissioner LeMarr seconded the motion. Chairman Schultz, Vice Chair Hennelly, Commissioner LeMarr, Commissioner Orchard, and Commissioner Krenzel voted in favor of the motion. The motion passed.

The Commission went into Executive Session at 3:27 pm.

The Commission returned to regular session at 3:48 p.m.

Commissioner Orchard, Mr. Warren, and Mr. Downen discussed whether it is possible for a supervisor to reasonably assume that employees wearing fall protection equipment were properly tied off.

Vice Chair Hennelly moved to approve the proposed penalty as presented and Commissioner Krenzel seconded the motion. Chairman Schultz, Vice Chair Hennelly, and Commissioner Krenzel voted in favor of the motion. Commissioner LeMarr and Commissioner Orchard voted against. The motion passed.

Mr. Ashley left the meeting for a previously scheduled stakeholder meeting.
