NOTICE OF CORRECTION TO PHYSICIANS' FEE SCHEDULE SURGERY CODES 60000 THROUGH 69990

Due to a clerical error, the values approved by the Commission for codes 60000 through 69990 of the 2010 Surgery Fee Schedule (as posted on September 1, 2010), were incorrectly listed. Effective this date, this error has been corrected.

For informational purposes, the 2010 Summary of Commission Action correctly states the fee schedule values approved by the Commission. The clerical error occurred in transferring this information to the document subsequently posted on the Commission's website. We apologize for this error.
